

4th JSTP International Seminar on Precision Forging

Organized by the Japan Society for Technology of Plasticity
--- *Future Challenges in Precision Forging Technology* ---

Oral Presentation Method

Presentation time:

- 1) Total time for **keynote lecture** (prize winner) is **30 minutes**.
- 2) Total time for **keynote lecture** is 25 minutes; **20 minutes for lecture and 5 minutes for discussion**.
- 3) Total time for **oral presentation** is **15 minutes**. Discussion time (10 minutes) is given for three presentations.

* Final program of 4th ISPF is arranging now.

PC projector and overhead projector (O.H.P.):

PC projector and **overhead projector (O.H.P.)** will be prepared. All lecturers and presenters can use them. If you use our PC (OS: **Windows XP**, Software: **MS PowerPoint 2002 (XP)**) for your presentation, please bring your presentation file (MS PowerPoint) with CD-ROM or USB disk, and prepare the presentation file using standard font (Times, Helvetica, Arial, Symbol and so on) with MS PowerPoint.

The best way to ensure your presentation is to bring your own laptop computer to connect PC projector with mini D-sub 15 pin VGA video output terminal.

If you plan to use O.H.P. for your presentation, please ask us until February 28, 2006.
